Summary of Discussion	**President** – Spoke about her meeting with Dean Kinkella about JumpStart staying together and being recognized during graduation. Met with President Burton and discussed the concept of Nevada State Library and doing something similar on WNC campus, but it was just an idea nothing is final or in the works. President Burton would like to raise the Tech fees, it has not been raised in eight plus years. There is no amount suggested at the time, but other colleges in Nevada are looking into raising their tech fees as well. These fees will help upgrade technology around the campuses, such as computers and wifi. **Vice President** – Reminded ASWN members about tomorrow's outreach. Pinterest, Career Fair' and Blood Drive fliers need to be posted and handed out. **Treasure/Sectary** – Apologized for not getting the agenda record sheet this semester but it will be available every week for Senators to sign after posting the agendas.
